

# LANCASTER "POINT OF USE" CLEAR-FLO CARTRIDGE TYPE WATER FILTERS

Available in both Activated Carbon and Sediment Removal, these Clear-Flo water filter cartridges have been designed for potable water filtration applications to afford you cleaner, clearer, better tasting water.

The *Activated Carbon* Cartridges will remove objectionable chlorine, foreign tastes, odors and most colors.

The *Sediment Filter* Cartridges will trap sand, dirt, silt, algae and most other visible suspended material.
